CASA DE LULUEL

CITRUS & CLARY SAGE ROOM SPRAY

INGREDIENTS

- Sweet orange essential oil 25 drops
- Clary sage essential oil 15 drops
- Citronella essential oil 10 drops
- Ethyl alcohol 20 ml
- Water (distilled or tap)

STEPS

1. Take a 120ml spray bottle and wash it well with dishwashing liquid. This is important if reusing an old bottle.
2. Measure the essential oils into a dry bottle with a funnel.
3. Measure the ethyl alcohol and pour it into the bottle with a funnel.
4. Close the cap and shake well. Leave to rest and let the oils dissolve for an hour.
5. Add water until the bottle is full. Close the cap and shake it well. The spray is ready to use.

STORAGE

Store away from direct sources of heat and sunlight.

NOTE

Do not expose children to the spray directly; dilution rate is for adult use.
